

Trek Part

Trek Part - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than sixty years combined experience with successfully marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are committed to giving top quality and new design concepts in order to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They enjoy providing items that energize both their dealers and their partners and offer production gains to their clients.

The team at TREK likes handling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' needs and skills combined with their knowledge of cleaning applications, along with owners' strong desire to dramatically lower cost through productivity gains.

When needed, the staff members within TREK and its many dealer members in both technical support and parts would be obtainable. One of their core values is their high service commitment in their customer service. Keeping their clients' cleaning equipment ready and running day by day is top priority. The company's top of the line technology delivers dependable machine which ultimately lowers your cost of cleaning. The price, the service and the product all work as one to make them the leader in the trade.
