

## **Fork Mounted Sweeper**

Fork Mounted Sweeper - This accessory makes industrial sweeping jobs much easier to do. The versatile lift truck mounted broom is intended for use with either wet or dry material clean ups. It could push snow and squeegee water without problems. This particular accessory is normally used to clean debris from construction sites, docks, parking lots, warehouses and practically anywhere it is considered necessary. The forklift sweeper is a low maintenance accessory that uses quick-tite blade products to easily mount to the forklift.
