

American Lincoln Part

American Lincoln Part - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery which are known within the business as strong and durable machines that meets the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These scrubbers are available in the market under the trade mark name "Encore". American Lincoln has the ability to provide machines, components and warranty service for these scrubbers that have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of numerous facility supervisors where results and efficiency matter. Lately, this particular floor scrubber model has been utilized by the architects in different construction jobs like for example Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on location due to the model's supreme performance level and excellent quality for polishing concrete.
